

So you want to learn to play guitar? I am happy to help you on your way. My name is Rick Brix. I am professional musician and I've been playing guitar for over 35 years. The guitar is an amazing instrument. It is not the easiest instrument to learn, but with **patience, practice, persistence, perseverance**, and a **positive attitude** (The 5 P's) you will become an awesome guitarist! I am here to guide you, but you must do the work. Anytime you have any questions or concerns please message or text me at (320) 420-0704. You may also email me at rickjbrix@aol.com. If you would like to follow my music, go to my website: www.rickbrixmusic.com. I am here for you to help you along on your journey. Do your best! And always have fun!

Items recommended for this course:

Guitar Tuner (I prefer a Snark)

"The Guitarist's Tablature Book", by Peter Vogl

Metronome (a phone application works)
