

# HEY JUDE

**E** **B** **B7** **E**  
Hey Jude, don't make it bad, take a sad song and make it better

**A** **E** **B7** **E**  
Remember to let her into your heart, then you can start to make it better

**E** **B** **B7** **E**  
Hey Jude, don't be afraid, you were made to go out and get her

**A** **E** **B** **B7** **E**  
The minute you let her under your skin, then you begin to make it better

**E7** **A** **G#** **F#** **A** **B7** **E**  
And anytime you feel the pain, hey Jude, refrain, don't carry the world upon your shoulders

**E7** **A** **G#** **F#** **A** **B7** **E**  
For well you know that it's a fool who plays it cool by making his world a little colder

**E** **E7** **B7**  
Na na na na na na na na

**E** **B** **B7** **E**  
Hey Jude, don't let me down, you have found her, now go and get her

**A** **E** **B** **B7** **E**  
Remember to let her into your heart, then you can start to make it better

**E7** **A** **G#** **F#** **A** **B7** **E**  
So let it out and let it in, hey Jude, begin, you're waiting for someone to perform with

**E7** **A** **G#** **F#** **A**  
And don't you know that it's just you, hey Jude, you'll do, the movement

**B7** **E**  
you need is on your shoulders

**E** **E7** **B7**  
Na na na na na na na na

**E** **B** **B7** **E**  
Hey Jude, don't make it bad, take a sad song and make it better
